

MMLA membership is valid from Aug 1 to July 31. The follow table summarizes events and rates for members and non-members. The rates are cheaper for RSVP than walkin. For events that are free for members, we are encouraging RSVP for better planning. So there is a nominal fee charged to members who walk-in. The dates and events marked with * are tentative and subject to change. The rates are based on historical data. These are determined using the following formula:

(Facility rent + Food, and other expenses) - Donation / expected number of attendees.
